NEW YORK, July 26.

The Herald's Montreal correspondence says: The Commissioner of the Imperial Government was here to-day, and soon starts for the Northwest Territory to organize a Colonial Government there and facilitate the settlement, to counterbalance the recent acquisition of Russian America to the United States.

Reports are current in private circles that the recent pardon for the release of Rev. John Malone and other Fenians, will meet with favorable consideration.

The city is crowded with American tourists.

The Herald's Cincinnati special says: A shocking case occurred day before yesterday at Chillicothe, Ohio. A young man named Hunter was standing in front of a saloon with several companions, all very drunk when Hunter's mother came to the party and implored her son to accompany her home. Suddenly he seemed seized up a heavy stone, rushed into the street, and picking final missile struck his mother in the group. The she died in ten minutes. Hunter and his companions were arrested.

The Herald's Chicago special says: The National Base Ball Club of Washington have arrived here, and the tournament began to-day at Dexter Park. Over ten thousand persons were in attendance. The opening game was between the Forest City Club of Rockford, and the Nationals. The game resulted in the defeat of the Nationals by 29 to 23. The Invincibles are at last beaten by an Illinois country club. To-morrow they play with the Excelsiors, the crack Club of Chicago.

The Herald's Omaha special says: Seventy-five Indians attacked a surveying party of the Union Pacific Railroad, on Bitter Creek, on the 22d, mortally wounding one Brown, engineer in charge of the party. Brown died on the 23d.—The Indians virtually have possession of the road between Fort Sanders and Fort Bridger.

The Herald's Cincinnati special says: Norman and Banford, two of the leading minstrels in Newcombs band, have been quarreling for some time. Norman accused Banford of filthy, Turkish practices. This evening Banford entered a billiard saloon on Vine street, and going up to Norman drew a revolver and said, you must retract before I count three or I shall shoot you.—One, two, three. Norman refused to retract and Banford fired, the ball passing through his enemy's left breast, inflicting a wound that will probably prove fatal before morning. Buford was arrested.

The Herald's Louisville special says a pistol fight came off at Franklin to-day, between two men named Nicholas and Bridgeford. The former was killed and the latter will lose a leg.

The Herald's special says: The President has not invited five district commanders to a conference as reported, though he contemplates doing so. Gen. Meade has been designated to succeed Gen. Sheridan, when the President gets ready to move in the matter.

President Johnson declines, for the present, to issue a proclamation against filibustering.—Should necessity arise, he will take prompt steps to enforce neutrality laws.

ST. LOUIS, July 26.

Omaha dispatches say. The Kiowa Indians are committing outrages south of Arkansas river, and Guy Mitchell, of New Mexico, will call for a battalion of mounted volunteers to act against them.

A portion of the goods stolen from Moses Wolff, in New York, some time since, was found here yesterday.

LOUISVILLE, July 26.

A special to the Courier from Nashville the 25th, says: A special to the Banner reports a collision in Knoxville last night, resulting in the wounding of two negroes.

Gen. Frank Blair, who was addressing a large conservative meeting, was frequently interrupted by negroes, who cheered for Brownlow. Towards the close of his speech, a fight commenced, in which eight or ten shots were fired, resulting as stated. On learning the news at the colored church, two hundred negroes formed in procession and were proceeding to the scene of disturbance, when they were met by the agent of the Freedmen's Bureau and the police, and were persuaded to desist, thus preventing a bloody riot.

A shocking tragedy occurred near Union City, Odin county, on Monday. A negro man broke jail in that town on the preceding Friday, repairing to the residence of an aged and highly respectable widow lady named Chorum, outraged her person and then fled. Two sons of the injured woman followed the wretch to Hickman, Ky., arrested him, and taking him back near the scene of the outrage, shot him dead, and then severed his head from his body.

Large numbers of Brownlow's militia, white and black, are continually passing through Nashville en route for different points in Middle and Western Tennessee, although everything is quiet now. Hardware stores are being extensively patronized, and firearms of every kind are being purchased by both whites and blacks.

BALTIMORE, July 25.

A newly formed colored regiment paraded through the streets to-day.

QUEBEC, July 26.

There was a heavy thunder storm last evening. A boat with five persons on board is supposed to be lost. Five men were struck by lightning and badly paralized.

TORONTO, July 26

A draft for all the regiments in Canada is expected from England in a few weeks.

OTTAWA, July 26.

A surveying party left this place in March last under direction of the Government, to ascertain the length of Ottawa river.

Branded reports the length of the river about a thousand miles. They found Lake Gros to be four hundred miles in circumference. Navigation from Lake Quabscagin to Lake Gros is impeded by numbers of rapids. The explorers encountered large quantities of ice on Lake Gros, on the 24th of May.

NEW ORLEANS, July 25.

The American brig William Roberts from Havana, arrived at Passa Loutre, this evening, having on board twenty-three Coolies. Other shipments of small numbers have already arrived and are at work on plantations.

City currency is recovering from depression. Some brokers are purchasing at three per cent. discount. Over $60,000 have been withdrawn from circulation and destroyed.

AUBURN, July 25.

Secretary Seward and Sir Frederick Bruce arrived last evening.

FLORENCE, July 26.

Baron Ratazzi, Prime Minister to Italy, has made an offer to garrison the city of Rome with national troops to protect it from a threatened attack of the party of action under Garibaldi and Mazini.

VIENNA, July 26.

Napoleon has sent a note to the King of Prussia, urging him to surrender the Danish provinces north of Sleswig to Denmark. The Emperor declines interference in the matter.

BERLIN, July 26.

Two conscripts, belonging to the Imperial army, to-day attempted to escape and succeeded, in reaching an American vessel at Brovenhave on the point of sailing. The Prussian authorities threatened to open batteries on the ship if the commander refused to give up the conscripts.—After a sharp parley the men were surrendered.

NEW YORK, July 26.

FINANCIAL AND COMMERCIAL

PETROLEUM MARKETS.

OFFICE OF THE MORNING HERALD, TITUSVILLE, July 26, 1867—10 P. M.

The Petroleum market was concerned with quite a fair prospect, but during the day there was but very little inquiry and the market closes heavy with sales in one or two localities at a decline of about 20 cents from yesterday's prices. At Pioneer several lots were offered in the afternoon under $3 60, but with a single exception they were not off. The sudden change of feeling in the market on Oil Creek is principally owing to a rumored weakness in the New York market and to the uncertainty with which the proceedings of the meeting of oil operators and railroad men is regarded by the shippers. It is expected, however, that the meeting will come to some difinite conclusion to-day. The producers generally are holding at from $3 50 to $4 00, according to locality. The sales reported to-day were 300 barrels on Upper Cherry Run, for the local market, at $3 00 at the wells; 200 barrels by the land interest of the McElhenny Farm, for the New York market, at $3 80 at the wells; 100 barrels on the McClintock Farm, from G. K. Anderson's wells, for the local market, under 47 gr., at $4 00 at the wells; 1,000 barrels on the McClintock Farm, by the Central Petroleum Co., for the Cleveland market, under 47 gr., at $4 90, delivered on the cars; 200 barrels from Lease No. 250 of the McClintock Farm, for the local market, at $3 85 at the wells.

We quote:

Crude at Pioneer, delivered on the cars, 45 gr.	$3 80@4 00
Crude at Miller, delivered on the cars, over 45 gr.	3 75
Crude at Petrolia and Center above 45 gr.	3 90@4 00

American Hotel To the Public.—I take pleasure in announcing that on the 6th of April I reopened the American Hotel and resumed its management in person. The house is thoroughly refitted and put in good order to accomodate in the best manner, those who may give it their patronage. If it has been my good fortune from long experience and care to be considered generally successful in the effort to give satisfaction, I would say that my exertions for that purpose shall be doubled and that all my old friends, who knowing me well, and as many new ones as may see fit to come, can find a good stopping place in Titusville at the "American" with S. M. MILLS.

Titusville, April 5, 1867.

Chautauqua Lake.

The steamer Chautauqua will leave Jamestown every morning (except Sunday) at 8 o'clock connecting at Mayville with the Express train on the R. & O. C. C. R. R. enabling passengers to reach Brocton on the Lake Shore R. R. at 11:30 A. M. and Buffalo at 1:35 P. M. The steamer will leave Mayville for Jamestown on the arrival of the Express train from Buffalo due at 2:35 P. M. connecting at Jamestown with the A. & G. W. trains East and West.

Extra trip made on Wednesday of each week, leaving Mayville at 11 A. M. or upon the arrival of the Express train on the R. & O. C. C. C. R. R. from Corry: arrive at Jamestown at 1 P. M., leave Jamestown at 4 P. M.; arrive at Mayville at 6 P. M., and then return to Jamestown.

The steamer has been thoroughly repaired and fitted up with an additional deck, adding largely to the comfort of passengers.

AN Ordinance, regulating the Fire Department.

ARTICLE 1st

SEC. 1. This shall be known as the "Titusville Fire Department."

SEC. 2. "The Fire Department shall consist of one Chief Engineer and two Assistants, and as many subordinate firemen as the City Council shall deem necessary.

SEC. 3. The Chief Engineer shall have sole command at fires over the members of the Fire Department while on duty, and shall have police power at all fires as *ex officio* Marshal; should he deem it necessary to tear down a building before it has caught fire in order to save other property, he shall first get the consent of the Mayor or two of the Council. It shall be his duty to examine into the condition of the engines and other apparatus belonging to the city and used by the Fire Department. He shall also report all accidents by fire which shall happen within the city, with the causes thereof, as well as can be ascertained, and the number and description of the buildings destroyed or injured, as near as can be ascertained, together with the names of the owners or occupants.

SEC. 4. It shall be the duty of the First Assistant Engineer to assist the Chief in all his duties at fires, and in the absence of the Chief he shall assume command.

SEC. 5. It shall be the duty of the Second Assistant Engineer to assist the Chief and First Assistant at fires, and in their absence he shall assume command, and have all power as Chief Engineer, and in the absence of the Chief and both Assistants, the first Foreman at the fire shall assume command.

SEC. 6. That there is hereby established a Board of Officers, consisting of the Chief and Assistant Engineers, the Foreman and First Assistants, the Treasurer and Secretary of the several Companies of the Fire Department. The Chief Engineer shall be the presiding officer of said Board; he shall also have power to call a meeting of said Board, whenever he shall deem proper or at the written request of two Foremen. The said Board shall have power to make such rules and regulations for governing themselves and the Fire Department as they may deem proper and not inconsistent with the existing ordinances of the city.

SEC. 7. The Chief Engineer shall have power to suspend at any time any member of the Fire Department or company of members, for any act calculated to cause a disturbance or bring disgrace on the Fire Department, until such time as he can bring his or their case before the Board of officers for an investigation at their next succeeding meeting.

SEC. 8. The Chief Engineer shall be appointed annually by the City Council at their first regular meeting in April, and hold the office until his successor is appointed.

SEC. 9. The Fire Department shall on the first Monday in April, between the hours of 7 and 9 o'clock P. M., in each year, select by ballot, two persons as Assistant Engineers, and forthwith submit their names to the Council for approval. The Assistants appointed shall hold their offices for one year and until their respective successors are appointed.

SEC. 10. The Chief and Assistant Engineers, shall while on duty, wear white leather caps with gilded frontispiece, and the insignia of their office painted thereon, and all other subordinate firemen shall wear such uniform as their company may adopt from time to time.

SEC. 11. Each and every person elected a member of the Fire Department, or new a member of any company, shall be furnished with a certificate from the City Council, signed by the Mayor and Chairman of said Council and countersigned by the Chief Engineer, and shall also be furnished with a badge, bearing the number on which his name shall stand opposite on the Fire Department books.

SEC. 12. All ordinances or parts of ordinances inconsistent with the foregoing are hereby repealed.

Passed July 26th, 1867.

R. D. FLETCHER, Pres.

Approved July 26th, 1867.

JOEL S. ANGIER, Mayor.

Attest: J. DILLS, Clerk.

I certify that the foregoing ordinance was unanimously passed by the Common Council of the City of Titusville, July 26th, 1867, and approved by the Mayor July 26th, 1867. J. DILLS, Clerk.

NEWSPAPER ARCHIVE®

Titusville Morning Herald.

Read to the End.

The Scranton *Daily Register* is responsible for the following anecdote, if not for the fact itself: A pair of those interesting, entertaining ladies who seem to carry on so large a business in the way of procuring subscriptions for new works, and who are so fascinating in manner, so delightfully importunate, so sweetly, sweet-tooth-able, called a few mornings since at a young lawyer's office, for the purpose of getting him to subscribe. "Indeed, ladies," said he, "the partnership of which I am an humble member, has lately been so imprudent as to issue a new work of their own, which, in consequence of the enormous expense attending its illustrations, embellishments, etc., has completely crippled us." "Then, perhaps," replied the angelic canvassers, "we could procure your subscribers. What do you call your work?" "Well, we have not fully determined on that yet, but I guess I'll let my wife have her own way, and call it after me—*Charles Henry.*

All London is at the feet of M'lle Christine Nilsson, a young Swedish singer, who has of a sudden made almost as great a sensation there as did the Swedish nightingale, Jenny Lind, a score of years ago. She is described as "pale, fair-haired, a little above the medium height, slender in frame, composed and graceful in bearing," in fact a very attractive person. Her voice is pure soprano, fresh, bright and penetrating, and her style is remarkably finished and brilliant. M'lle Nilsson was brought out in the theatre Lyrique, at Paris, where her success was marked, though it remained for London to discover what a real gem the musical world had in her

Circular to the Charitable and Appeal in Behalf of Distressed Friends.

Date at dubitur vobis.

TITUSVILLE, CRAWFORD CO., PA., May 15th, 1867.

The Rev. Napoleon Mignault, pastor of St. Titus' Church of this city, would respectfully submit the following brief statement to the kind public, which should prompt a few thousands to do all in their power to come to the rescue, viz:

Some three years ago, when plenty, success and prosperity dwelled in and blessed these oil regions, a much needed church, presbytery and school house were, with the authorization of our Right Reverend Bishop, hastily built and completed. The heavy debt of twelve thousand ($12,000) dollars was incurred by it, hoping to soon liquidate it, as everything indicated a lasting prosperity. But to his great regret, hard times destroyed his plans and hopes. After much labor, and the incessant toil of two years, he finds himself entirely unable to pay off the heavy indebtedness. He has tried all available means at home—concerts, donations, collections, lectures, &c.,—taxed his parishioners to their utmost ability, surrendered, to a great extent, his own personal resources, failed after all in accomplishing his object, and is driven to the necessity of having resource to a grand gift concert and fair, at which over ten thousand ($10,000) dollars worth of prizes shall be distributed, some of the prizes being worth as much as $500. A list of some of the prizes can be seen on the back of the ticket. Please notice that only 15,000 tickets shall be issued at one dollar a ticket.

When all this is considered, the Rev. N. Mignault feels that this application to purchase tickets entitling to a gift at the fair will not be made in vain nor considered intrusive. Send one dollar to his address, which will entitle you to a ticket to the fair and to a prize. A partial list of prizes can be seen on the back of the ticket.

As to the matter of lotteries or anything of that character, the Rev. N. M. is as much opposed to them as any other Christian; his is no such scheme, or the ecclesiastical authorities would not have given their kind approbation, which may be seen below. Let prompt attention be given to the matter; let the money be forwarded to the Rev. NAP. MIGNAULT, Titusville, Postoffice, drawer 1,265, in Postoffice orders, so that the Fair may take place about ninety days from date. Remember, only 15,000 tickets, at one dollar each, entitling the holder to a *free* admittance and a prize, some of which are worth $500.

AUTHORITY OF THE ADMINISTRATOR.—This is to certify, that Rev. Napoleon Mignault, pastor of St. Titus' church, Titusville, Pa., proposes to pay the heavy debts on his church and parsonage and convent by getting up a Grand Gift Concert and Fair; indeed, he must have recourse to some means of this kind, otherwise the generous Catholics of Titusville, who have already been overtaxed in consequence of the large improvements made, will not be able to pay off their debts. I approve of the zeal that dictates the enterprise.

[L. S.] JOHN D. COAHY, Administrator.

TO ALL WHOM IT MAY CONCERN.—I, the undersigned, Pastor of St. Titus' church, Titusville, Pa., do hereby certify that the proceeds of our Grand Fair and Gift Distribution, to take place in this city, shall be appropriated to the exclusive charitable object of liquidating the many debts of our church, parsonage and convent—Fair to take place in about ninety days.

Witness my hand and seal of our church.

The American Cooking Stove.

After twenty years Experience in the manufacture of stoves, we become convinced, some six years since, that a vast amount of money was being expended by the people of this country, in buying cheap and almost worthless stoves, a large part of which was wasted, and that true economy consists in buying the best stove that could be made, notwithstanding the price was higher. With this view we proceeded to construct the *American Cooking Stove*, and spared no pains or expense to make it the best and most perfect stove that could be made. And we have experimented with it, and carefully watched its operation for the last six years, and when an improvement suggested itself, we have at once adopted it, and we have several of these improvements secured by letters patent. In this manner, we do not hesitate to say, we have brought it to a *higher state of perfection* than has heretofore been attained in cooking stoves. The great improvements in this stove has added largely to its convenience and effectiveness. In all the varieties of stoves we manufacture, we study *usefulness, durability, convenience* and economy in operation, rather than cheapness in price, and in so doing we are satisfied we study the interests of those purchasing our stoves.
